2017 3rd Annual Alameda Art Fair - Sponsorship

Sunday June 25th 2017 - Alameda - Outdoor Art Festival!

The Summer Art Fair is listed on dozens of bay area event websites. We do a ton of promotion in the East Bay with printed posters, flyers and invites. We also have a huge online marketing promotion through our websites and social media channels. This is a great way to support the local art scene and promote your business. We can work out a custom package and help you put together a great promotion.
